- (a) The validity of the signatures, as well as the correct number of required signatures must be verified before the initiative is allowed on the ballot.
- (b) If an insufficient number of signatures is submitted, sponsors may amend the original petition by filing additional signatures within a given number of days after filing. If the necessary number of signatures has not been submitted by this date, the petition is declared void.
- (c) In some cases, the state officer will not accept a valid petition. In such a case, sponsors may appeal this decision to the Supreme Court, where the sufficiency of the petition will be determined. If the petition is determined to be sufficient, the initiative is required to be placed on the ballot.
- (d) A petition is certified for the ballot when the required number of signatures has been submitted by the filing deadline, and are determined to be valid.
- (e) Removal of petition and ineligible signatures by secretary of state's office 15 days (A.R.S. § 19-12L.01), certification by county recorder 10 days after receipt from secretary of state's office (A.R.S. § 19-12L.02).
- (f) Secretary conducts hearing, then turns over to the attorney general for investigation/possible criminal prosecution.
- (g) State Board of Elections and County Clerks or Municipal Boards of Election Commissioners. Individual petition sheets must be from a single jurisdiction. The SBE verifies that all signatures are from a single jurisdiction and the County Clerks or Municipal Boards verify the signatures against their registration files.
- (h) Amendments are not permitted. Judicial review must be sought within 10 days after determination by State Board of Elections.
- (i) 1. Within four days county clerk totals the number of signatures and forwards to the secretary of state. 2. The secretary of state immediately notifies county clerks if they are to proceed or not proceed with the signature verification. 3. If ordered by the secretary of state, the county clerks verify signatures within nine days (excluding weekends and holidays).
- (j) In Nevada, appeal must be within five working days after SS determines the petition is not sufficient.
- (k) Any violations discovered will be reported to the attorney general for investigation and prosecution.
- (l) Additional signatures may be submitted if signatures were turned in prior to deadline for submitting signatures.
- (m) Whether a penalty is assessed would be based upon what information on the petition was falsified.
- (n) Signatures must be verified by not later than the 3rd Tuesday following the primary.
- (o) Within 90 days before the date of election.
- (p) 30 days if submitted 150 days before the date of the election; No amendment/appeal if submitted 120 days before the date of election.
