Note: Data users who create their own estimates using these data should cite only the U.S. Census Bureau as the source of the original data. Data in this table are based on information from public records and contain no confidential data. Although the data in this table come from a census of governmental units and are not subject to sampling error, the census results may contain nonsampling

error. Additional information on nonsampling error, response rates, and definitions may be found within the survey methodology http://www2.census.gov/govs/state/14_methodology.pdf and technical documentation <http://www2.census.gov/govs/state/statetechdoc2014.pdf>.

Note: Detail may not add to total due to rounding.
