At the recently concluded National Conference held in Kansas City, Missouri, the CSG Executive Committee approved ten policy resolutions on a wide range of topics, including transportation funding, domestic energy security, international trade and export promotion, obesity, unmanned aircraft systems, amendments to the Unfunded Mandates Reform Act, and tax exemptions for municipal bond interest.

- Resolution on Transportation Funding Alternatives [2]
- Resolution on the Reauthorization of the State Trade and Export Promotion (STEP) Grant Program [3]
- Resolution Supporting Tax Exemption for Municipal Bond Interest [5]
- Resolution of Federal Surface Transportation Reauthorization [7]
- Resolution on Obesity and Related Conditions [8]
- Resolution Concerning Domestic Energy Security Promotion [9]
- Resolution Supporting Audited Usage of Unmanned Aircraft Systems [10]
