Note: Detail may not add to totals due to rounding. This table was compiled from reports of state authorities.

Key:

(a) Any differences between beginning balances and the closing balances on last year's table are the result of accounting adjustments, inclusion of funds not previously reported, etc.

(b) Amounts shown represent only those highway user revenues that were expended on state or local roads.

(c) Amounts shown represent gross general fund appropriations for highways reduced by the amount of highway-user revenues placed in the State General Fund.

(d) Amounts shown represent data reported for 2010 and 2011.

(e) Amounts shown represent data reported for 2013.
