n/a = Not applicable

(a) Institutions that award at least 20 doctor's degrees per year.

(b) Institutions that award at least 50 master's degrees per year.

(c) Institutions that primarily emphasize undergraduate education.

(d) Four-year institutions that award degrees primarily in single fields of study, such as medicine, business, fine arts, theology, and engineering. Includes some institutions that have 4-year programs, but have not reported sufficient data to identify program category. Also, includes institutions classified as 4-year under the IPEDS system, which had been classified as 2-year in the Carnegie Classification system because they primarily award an associate's degree.

(e) U.S. totals include the District of Columbia and U.S. Service Schools.
