Prescription Drug Monitoring Compact
National Advisory Panel

Goals

- Explore a variety of state driven solutions…not just interstate compacts

- Examine challenge, obstacles, and opportunities surrounding data exchange

- Establish recommendations for a PDMP agreement

Prescription Drug Monitoring Compact
National Advisory Panel

Recommendations

- Established key areas to be addressed in the compact
  - Governance and Structure
  - Authorized use of data
  - Technology and security
  - Funding
  - Model language

- Endorsed and formed a drafting team

Prescription Drug Monitoring Compact
Drafting Team

Composition

- Ali Bovingdon, Deputy Attorney General, MT
- June Dahl, University of Wisconsin
- Danna Droz, Ohio Board of Pharmacy
- Kathy Ellis, CA DOJ/Bureau of Narcotic Enforcement
- Jim Giglio, Alliance of States with Prescription Drug Monitoring Programs
- Sherry Green, National Alliance for Model State Drug Laws
- Dave Hopkins, KY Cabinet for Health and Family Services
- Ralph Orr, National Association of State Controlled Substances Authorities
- Senator Vicki Schmidt, Kansas
- Scott Serich, IJIS Institute

Prescription Drug Monitoring Compact
Craft a new interstate compact based on the recommendations made by the advisory panel

Circulate draft to “test” states, relevant stakeholders, and the advisory panel for review and comment; adjust language as appropriate

Plan education phase
Drafting Team

Timelines

- Complete compact draft, with comment, by the early fall 2010

- Begin education outreach during fall 2010

- Have compact complete and ready for consideration in advance of the 2011 state legislative sessions
Prescription Drug Monitoring Compact

Next Steps

- Education
- State support
- State enactments
