STATE LEGISLATURES

STANDING COMMITTEES: APPOINTMENT AND NUMBER — Continued

Source: The Council of State Governments' survey January 2009 and *The Council of State Governments State Directory II*, 2009.

Key:

CC — Committee on Committees

CR — Committee on Rules

E — Election

MjL — Majority Leader

MnL — Minority Leader

P — President

PT — President pro tempore

S — Speaker

U — Unicameral Legislature

... — None reported.

(a) Selection process based on seniority.

(b) Members of the standing committees shall be selected by House District Caucuses with each caucus selecting five members for each "A" standing committee and five members for each "B" standing committee.

(c) Substantive standing committees are joint committees. Connecticut, 21 (there are also three statutory and four select committees for the House and the Senate);

(d) By resolution with members of majority party designating the chair, vice-chairs and majority party members of committees, and members of minority party designating minority party members.

(e) By resolution, with members of majority party designating the chair, vice-chairs and majority party members of committees, and members of minority party designating minority party members.

(f) Committee members appointed by the Senate leadership under the direction of the president pro tempore, by and with the Senate's consent.

(g) Committee on Organization, Calendar and Rules.

(h) Speaker appoints only 12 of the 19 members of the Committee on Appropriations.

(i) There are currently 17 Joint Standing Committees, two Joint Select Committees, and a joint Government Oversight Committee.

(j) Senate minority committee members chosen by minority caucus, but appointed by president pro tempore.

(k) Senate president and House speaker consult with minority leaders.

(l) Senate: includes eight substantive committees and one procedural committee. House: includes 12 substantive committees and three procedural committees.

(m) The minority leader may recommend for consideration minority party members for each committee.

(n) The House had a Constitutional Revision Committee.

(o) Appointment based on seniority (Senate Rule 19D).

(p) Appointed by seniority which is determined by tenure within the committee rather than tenure within the Senate. Also, chair is based on the majority party within the committee (Senate Rule 19E).

(q) For each standing substantive committee of the House, except for the appropriations committee, a maximum of one-half of the membership, exclusive of chair and vice-chair, is determined by seniority; the remaining membership of the committee is determined by the speaker.

(r) Senior member of the majority party on the committee is the chair.

(s) Lieutenant governor is president of the Senate.

(t) Recommended by the Committee on Committees, approved by the president, then confirmed by the Senate.

(u) Chair of the Council.

(v) Members are appointed by the Chairperson; Chairperson is elected during majority caucus prior to inauguration.
