(a) Three forms of referenda exist: citizen petition, submission by the legislature, and constitutional requirement. This table outlines the steps necessary to enact a citizen's petition.

(b) Prior to circulating a statewide petition, a request for permission to do so must first be submitted to a specified state officer. Some states require such signatures to only be those of eligible voters.

(c) The form on which the request for petition is submitted may be the responsibility of the sponsor or may be furnished by the state.

(d) Restrictions may exist regarding the subject matter to which a referendum may be applied. The majority of these restrictions pertain to the dedication of state revenues and appropriations, and laws that maintain the preservation of public peace, safety and health. In Kentucky, referenda are only permitted for the establishment of soil and water and watershed conservation districts.

(e) In some states, a list of individuals who contribute financially to the referendum campaign must be submitted to the specified state officer with whom the petition is filed.

(f) A deposit may be required after permission to circulate a petition has been granted. This amount is refunded when the completed petition has been filed correctly.

(g) A referendum can only be placed on the ballot if authorized by a state law. As a result, a county or town election board cannot print any referendum on the ballot unless the legislature has already passed a law to permit the referendum. Therefore, each statute is different.

(h) The name and address of five voters.

(i) Revisor of statutes

(j) Petition sponsor may submit proposed petition summary for approval to State Administrator of Elections but a formal request to circulate a petition is not required.

(k) No specific requirement to request a petition. Legislative Services receives the request and reviews it, and then the sponsor submits it to the Secretary of State and Attorney General for petition format review and legal and constitutional sufficiency review.

(l) State auditor writes the fiscal note.

(m) Two percent of resident population of state at the last federal decennial census.

(n) Petitioners must prepare the summary, and submit it to the Ohio Attorney General, who then must certify whether the summary fully and accurately describes the proposal.

(o) Five percent of legal voters based upon the total number of votes cast at the last general election for the state office receiving the highest number of votes at such election.

(p) No bills with an emergency clause.

(q) Do not have to request permission to circulate but must follow certain steps for this process.

(r) May not challenge laws passed by two-thirds of each house of the legislature.
