Section VIII

THE STATE PAGES
The following section presents individual pages on all of the States of the United States, the Commonwealth of Puerto Rico, the Territories of American Samoa, Guam and the Virgin Islands, and the Trust Territory of the Pacific Islands.

Included are listings of various executive officials, the Justices of the Supreme Courts, and officers of the Legislatures. Lists of all officials are as of late 1969 or early 1970. Concluding each page are population figures and other statistics, provided by the United States Bureau of the Census.

Preceding the individual state pages, a table presents certain historical data on all of the States, Commonwealths and Territories.
