Section VIII

THE STATE PAGES

The following section presents individual pages on all of the States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Territories of American Samoa, Guam and the Virgin Islands, and the Trust Territory of the Pacific Islands.

Included are listings of various executive officials, the Justices of the Supreme Courts, and officers of the Legislatures. Lists of all officials are as of late 1973 or early 1974. Comprehensive listings of state legislators and other state officials will be carried in two 1975 Supplements. Concluding each page are population figures and other statistics provided by the United States Bureau of the Census.

Preceding the individual state pages are two tables. The first lists the state capitols with zip codes and telephone numbers. The second table presents certain historical data on all of the States, Commonwealths, and Territories.
