Dignity for All Students

The Act defines harassment as creating a hostile environment that unreasonably and substantially interferes with a student’s educational performance, opportunities or benefits, or mental, emotional or physical well-being, or conduct, verbal threats, intimidation or abuse that reasonably causes or would reasonably be expected to cause a student to fear for their physical safety.

The bill prohibits harassment and discrimination of students with respect to certain non-exclusive protected classes, including, but not limited to, a student’s actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender or sex.

This Act requires school districts to adopt policies to create a school environment free from harassment and discrimination. School districts must also adopt guidelines for school training programs that raise awareness and sensitivity of school employees to these issues and enables them to respond appropriately. Schools must designate at least one staff member in each school to be trained in non-discriminatory instructional and counseling.

It is hereby declared to be the policy of the state to afford all students in public schools an environment free of discrimination and harassment. The purpose of this Act is to foster civility in public schools and to prevent and prohibit conduct which is inconsistent with a school’s educational mission.

Section 3. [Definitions.] As used in this Act, the following terms shall have the following meanings:

2. “School function” shall mean a school-sponsored extra-curricular event or activity.

Section 4. [Discrimination and Harassment Prohibited.]

(A) No student shall be subjected to harassment by employees or students on school property or at a school function; nor shall any student be subjected to discrimination based on a person’s actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, or sex by school employees or students on school property or at a school function. Nothing in this subdivision shall be construed to prohibit a denial of admission into, or exclusion from, a course of instruction based on a person’s gender that would be permissible under [insert citation] and Title IX of the Education Amendments of 1972 (20 U.S.C. Section 1681, et. seq.), or to prohibit, as discrimination based on disability, actions that would be permissible under Section 504 of the Rehabilitation Act of 1973.

(B) An age-appropriate version of the policy outlined in subdivision (A) of this section, written in plain-language, shall be included in the code of conduct adopted by boards of education and the trustees or sole trustee pursuant to [insert citation] and a summary of such policy shall be included in any summaries required by [insert citation].

Section 5. [Policies and Guidelines.] The board of education and the trustees or sole trustee of every school district shall create policies and guidelines that shall include, but not be limited to:

Section 6. [Commissioner’s Responsibilities.] The [commissioner] shall:

1. Provide direction, which may include development of model policies and, to the extent possible, direct services, to school districts about preventing discrimination and harassment and that foster an environment in every school where all children can learn free of manifestations of bias;

2. Provide grants, from funds appropriated for such purpose, to local school districts to help the districts implement the guidelines set forth in this section; and

3. Promulgate regulations to help school districts implement this Act including, but not limited to, regulations to help school districts develop measured, balanced, and age-appropriate
responses to violations of this policy, with remedies and procedures focusing on intervention and education.

Section 7. [Reporting by Commissioner.] The [commissioner] shall create a procedure under which material incidents of discrimination and harassment on school grounds or at a school function are reported to the [department] at least on an [annual] basis. Section 9. [Instruction in Civility, Citizenship and Character Education.] The [regents] shall ensure that [a] course of instruction in grades kindergarten through twelve includes a component on civility, citizenship and character education. Such component shall instruct students about the principles of honesty, tolerance, personal responsibility, respect for others, observance of laws and rules, courtesy, dignity and other traits which will enhance the quality of their experiences in, and contributions to, the community. The [regents] shall determine how to incorporate such component in existing curricula and the [commissioner] shall promulgate any regulations needed to carry out such determination of the [regents]. For the purposes of this section, “tolerance,” “respect for others” and “dignity” shall include awareness and sensitivity to discrimination or harassment and civility in the relations of people of different races, weights, national origins, ethnic groups, religions, religious practices, mental or physical abilities, sexual orientations, genders, and sexes.
