Data users who create their own estimates using data from this report should cite the U.S. Census Bureau as the source of the original data only. The data in this table are based on information from public records and contain no confidential data. Although the data in this table come from a census of governmental units and are not subject to sampling error, the census results do contain nonsampling error. Additional information on nonsampling error, response rates, and definitions may be found at <http://www.census.gov/govs/www/survey methodology07.html>.

Key:
 Not available. Detail may not add to totals due to rounding.
 (a) Represents primarily state reimbursements for the supplemental security July income program. This column also duplicates some funds listed under "Public welfare" and "All other" columns.
